Clae Gregory in Cinematic Form

BY [JONATHAN SAWYER](#), | APR 21, 2011

In an effort to highlight three of their upcoming models for spring 2011, Clae has presented a look at each silhouette in cinematic form. Here we have the initial entry showcasing the **Gregory**, a sophisticated low-top, which fuses the characteristics of an old-school court shoe and the casual grown and sexy of here and now. Comprised of mostly leather with touches of suede, the Gregory will mature your footwear arsenal. [Cop through Clae online for \\$95.](#)
