

## Clae Powell Spring/Summer 2012

BY JONATHAN SAWYER | JAN 30, 2012 | 4:14 PM |

While implementing brogue designs on sneaker silhouettes is becoming more and more of a popular play these days, casual footwear label Clae meshes the two to perfection with the **Powell** model. The slim-cut makeup notes a premium leather construction, as tonal brogue detailing is present throughout. Accounting for a great option to dress up or down — [check Clae to purchase the Powell now for \\$110](#). New colorway to release in February.
