Obsession of the Day: CLAE Powells

BY SEAN HOTCHKISS

Wing tips or sneakers? Sneakers or wing tips? You'll never have this inner-monologue again thanks to CLAE. Their Powell is the perfect concoction of smart/casual streetwise sensibility, made to mesh with dress trousers or denim. Available mid-February, the gravel nubuck colorway will be on our feet this spring. \$110.

Check out the lineup, [here](#).
