

Clae Fall/Winter 2011 Footwear Lookbook

10 August 2011, 17.32 | Posted in [Shoes, Sneakers](#) | [No comments »](#)

We present the first part of the new [Clae](#) Fall/Winter 2011 Footwear Collection. Perfectly bridging the worlds of athletic footwear and more casual footwear, Clae presents its range in new materials and colors for the season. While sticking to an overall solid look, little color accents and good color combos make the footwear just stand out enough.
