MIGHTY CROWN X CLAE MCQUEEN

Published: Nov 16th, 2011

Mighty Crown return to the collab game with the rapid-fire re-up following their [Nike Quickstrike](#) adventure in October. Continuing the 20-year anniversary celebrations for the Japanese reggae sound system, Mighty Crown have teamed up with Clae on this special McQueen that blends a fine tweed upper with Rasta-flavoured pops, 20th Anniversary logos on the tongue and heel plus a brand new 36-track mixtape from the self proclaimed 'Far East Rulers' themselves! Listen in on the Soundcloud link below.
