

Clae Fall/Winter 2011 Lookbook

Posted by Tom Reive, October 20th, 2011

Clae is offering a fresh lineup for their Fall/Winter 2011 collection. The brand, known for its casual footwear is trying to steer away from performance sneakers. New releases this season are the Chambers, Mobley, Wilder and the always popular Russel. Take a break from the court and look great in some clean, crisp shoes that will keep you comfy all season.
